Subject: Advisory for rice exports to Senegal- reg.

This is in reference to APEDA Advisory No. CRL-2020-21-000031 dated 21.11.2025 regarding temporary suspension of issuance of Registration-Cum-Allocation Certificates (RCAC) for export of non-Basmati rice to Senegal due to suspension of issuance of import declarations for rice (DIPA) by the Government of Senegal for a period of one month.

The Embassy of India, Dakar, Senegal, and trade stakeholders/exporters have informed that the aforesaid month-long restriction on import of rice has now been lifted.

In the light of the above, APEDA will resume the issuance of RCAC's for export of non-Basmati rice to the Senegal with immediate effect. **However, stakeholders are also requested to watch over the latest developments in Senegal for any change in the policy conditions related to rice. In case of any doubt, it is advised to consult EoI(Dakar)/APEDA, as a note of abundant caution, before deciding on the shipment.**
