supplier member

Responsible business simplified

## Join Sedex as a supplier member

Open your business to opportunities with new customers

Improve your business operations

Demonstrate your good business practices to customers

Showcase your business and be visible to new potential customers

Easily share information about your business and make compliance simple

### Who is Sedex?

Sedex is a global membership organisation that connects businesses all over the world **to improve business practices**. Companies can operate more efficiently and ethically, saving time and money. Sedex has **60,000** members who use our simple questionnaire and online tools to collect and share business information with each other.

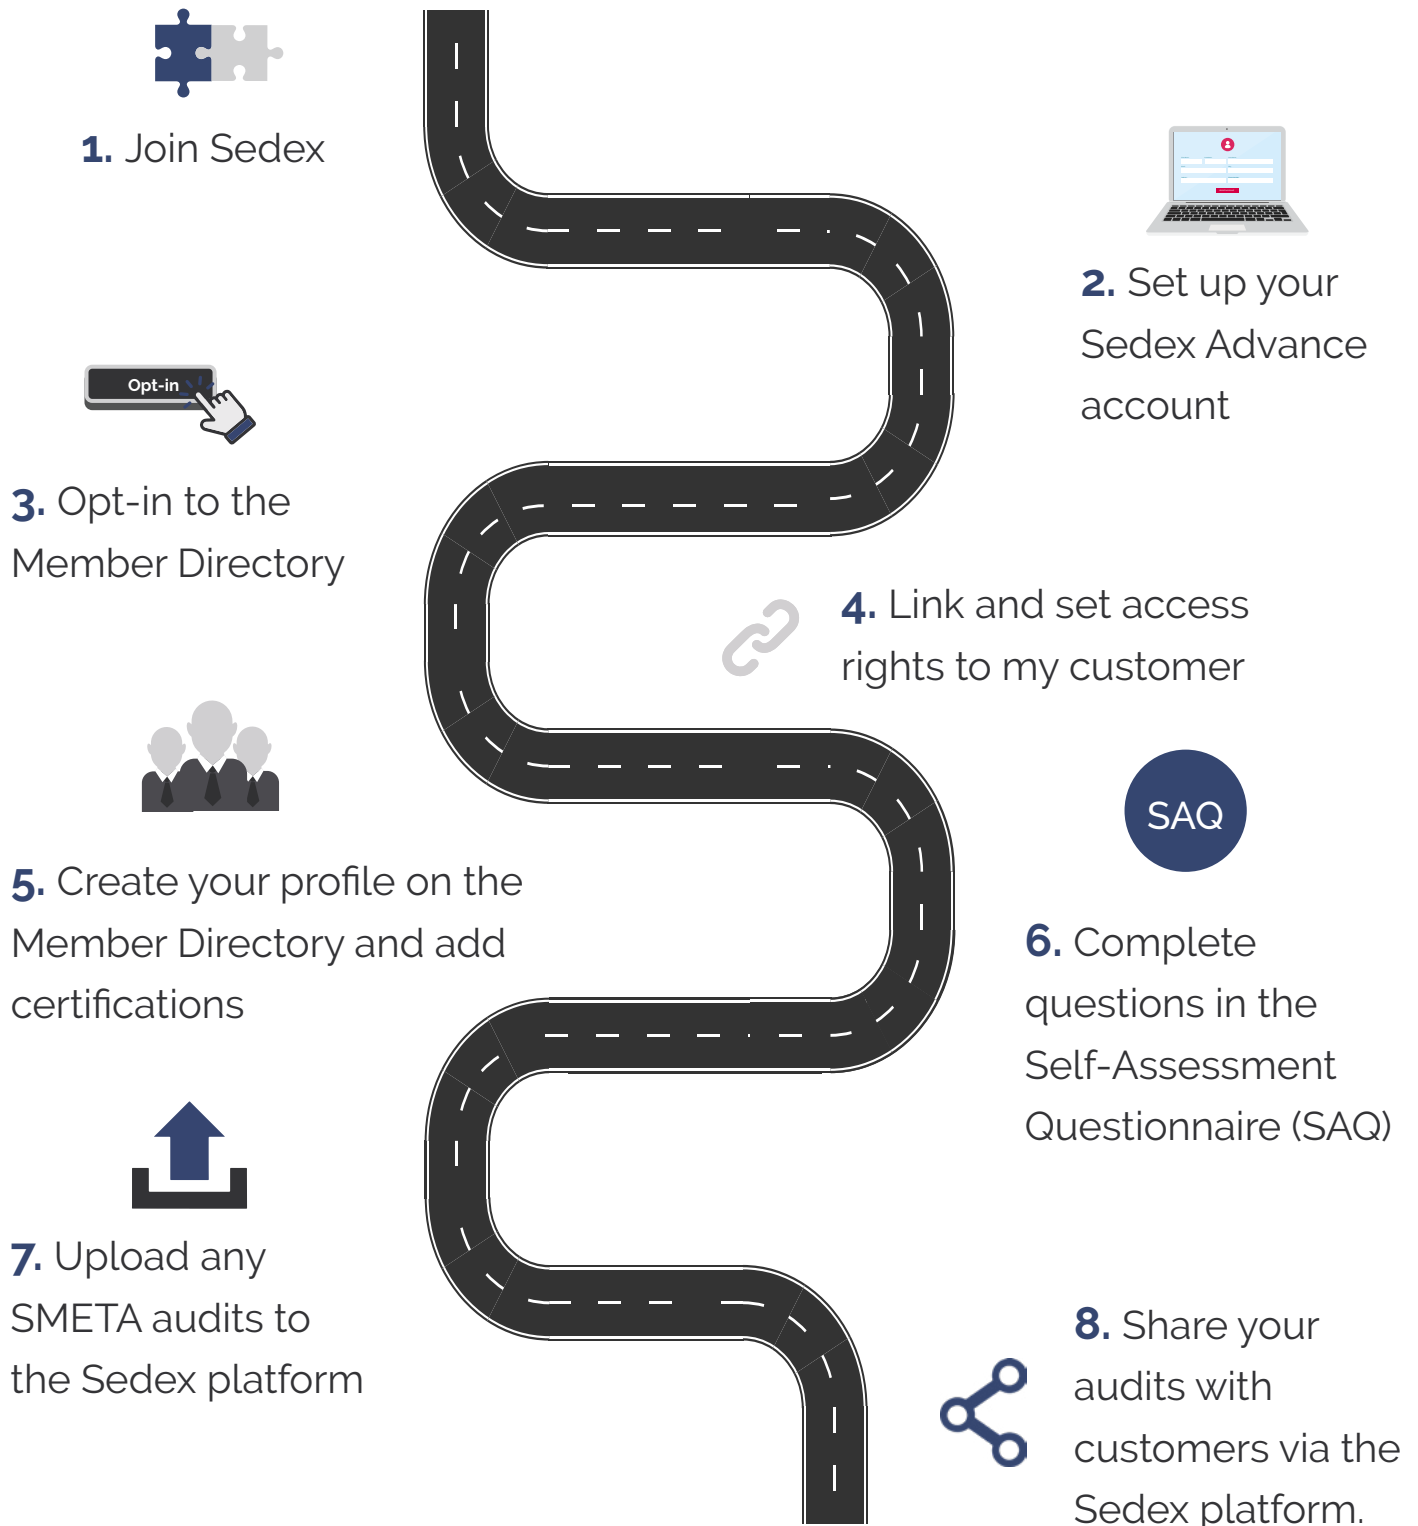

---

Being a Sedex Supplier member gives you the potential to build relationships with other Sedex members. Visit our website to view some of the brands we work with.

# Becoming a member is easy!

The Sedex Ambassador Toolkit allows you to showcase your Sedex membership by displaying the Sedex Member logo on your website, marketing collateral and advertising.

# Membership benefits

## Showcase your business

Showcase your business to some of the world's biggest businesses via the Sedex Member Directory and grow your business relationships.

## Share your audit information

Share your audit information with multiple customers on our platform. This reduces the number of audits you need, saving cost and time.

## Strengthen your business relationships

Strengthen your business relationships and link with multiple customers from your Sedex account.

## Increase efficiency

Boost productivity and gain competitive advantage with better business practices to promote to your customers and build a happier workforce.

## Free e-Learning

Access free e-Learning, training videos and sustainability resources to improve your business practices.

## Member services team

Access to a 24-hour member services team to help with your questions, in 12 languages.

## One-off annual fee

You can access all these benefits for a one-off annual membership fee of just £100 per site.

## Supplier Plus

Interested in adding on more to your Supplier membership? **Supplier Plus** is an add-on that gives you access to more features on the Sedex platform.

At £150 a site per year Supplier Plus gives you a cost effective and quick way to understand your risk profile, areas for enhancement and promotional opportunities.

### Supplier Plus benefits:

#### Enhanced Member Directory

- View the details of companies which visited your profile
- Share the Health Check Report with customers
- Learning progress and sustainability credentials

#### Health Check Report

- View your strongest area
- Compare your site with other common challenges in your area or industry
- Receive a detailed report about your business performance

#### Site benchmarking

- Links in directly to e-Learning courses and guidance
- Track and monitor performance
- Understand how you compare to your competitors
